

Faculty of Doctoral Studies & Research

Guidelines for attending Research Advisory Committee (RAC) of RK University –

PhD scholars of RK University, attending RAC, are advised to consider following points/instructions, while preparing the progress report and documents to be submitted to Committee.

1. Prepare a PowerPoint presentation, reporting the progress made (during last 6 months) in the doctoral research project. The format of PowerPoint presentation for RAC should be similar to that specified for DRC (refer guidelines for attending DRC), with suitable changes.
2. The presentation should include instructions/modifications suggested by previous DRC/RAC and their implementation by the PhD scholar, in tabular form.
3. Discussion regarding result of coursework examination.
4. Discussion regarding remarks of the guide in progress report. Consent and remarks of the guide, with his/her countersign and stamp, are compulsory in the hard copy of a progress report.
5. Frequency of consultation with guide (difficulties, if any).
6. Modifications in the present project for value addition should be suggested by expert/committee members/guide, if required (desirable).
7. Discussion about formulating a funding proposal for the research project (desirable).

Following documents should be submitted at the Monitoring Committee:

1. Submission of detailed progress report in hard copy with signature of the PhD scholar with consent and remarks of the PhD guide with his/her sign and stamp.
2. **Submission of soft copy of detailed progress report 10 days before the date of RAC.**
3. Submission of any publications (research paper/ review article) in soft and hard copy.
