The screenshot shows a web browser window with the URL <https://www.ncbs.res.in/rdo/sponsor-grants>. The page features a green header with a search bar labeled "Search this site". Below the header is a navigation menu with links: "About Us", "Research", "Academic", "News & Events", "People", "Careers", and "Get Involved". The NCBS logo (national centre for biological sciences) and the TIFR logo are also visible. A breadcrumb trail reads: "Home / Research / Facilities / Research Development Office / Sponsored Research - Grants for Independent Researchers". The main content area has a green background with the text "Sponsored Research". Below this, there is a black box with the "RDO" logo and a text block: "The Research Development Office has developed a database of currently available funding opportunities primarily for Indian researchers. This database is constantly being updated. Although most of the available funding comes from the Government of India, there are many other opportunities from India and overseas that can be applied for. Click [here](#) to download the Excel format of database with more details. The filter tool can then be used to search against various categories."
