Dignitaries from RK University Participated in the global workshop 'INNOTAL' held at Nepal

RK University Rajkot is one of the 14 partner universities from 8 countries across the world in the prestigious project titled Integrating Talent Development into Innovation Ecosystems in Higher Education (INNOTAL) which is co-funded by ERASMUS+ Program of European Union. Project objective is to contribute to innovation ecosystem in partner universities and thereby

contributing to the higher education of the country at large. This project has the potential to contribute in improving employability in saurashtra and kutchh region.

Second collaboration workshop and management meeting for this project was held at Pokhara University, Pokhara-Nepal. The meeting was attended by Shri Denish Patel,

Executive Vice President RK University, Dr. Nilesh Kalani, Director of School of Engineering and Dr. Dharmesh Raval, Director of School of Management represented RK University for the project.

Workshop involved brainstorming and group discussion sessions on various issues related to broad theme of employability, innovation and

entrepreneurship. Best practices at some of the Universities and Institutes of Europe were also discussed. The meeting unfolded detailed agenda for the project and also strategies of how the project objectives will be achieved. RK University exchanged MoU Documents with Pokhara University during this workshop for the several joint initiatives and academic events between

Over 2000 students participated in the Run for Unity organized by RK University

The birth anniversary of Shri Sardar Vallabhbhai Patel, India's Iron Man and Bharat Ratna was celebrated across the country. In order to celebrate this occasion at RK University of Rajkot, the Run for Unity and

Swearing Ceremony was organized in which over 2000 students & faculty members participated. During the oath ceremony, all the students and teachers were sworn in to maintain unity in society and maintain respect for

the country. According to Mr. N. S. Ramani, Registrar of RK University, "Through such programs, students get an opportunity to get closer to the culture of India and the country. It also gives students an opportunity to

understand personality like Shri Sardar Patel which will be better for the future of the country. The important thing is that the promise of maintaining the true-hearted unity by the students will definitely be transformative."

Quick Updates
