

Faculty Orientation Program 2023 (Day-4)

In association with
Support & Development Center and Capacity Building Centre

7th January 2023, 8:30 am to 10:00 am

On January 7, 2022, an orientation program for the faculty was conducted with the purpose of familiarizing newly hired staff members with the instructional techniques and educational approaches employed at RK University. This initiative was a collaborative effort between RK University's Capacity Building Center and the Teaching and Learning methods department. During the event, the newly onboarded staff members were introduced to the Support and Development Center (SDC) located within TEAL 2.0. The introduction was led by Prof. Kamlesh Patel, who holds multiple roles including Project Manager of TEAL 2.0, Director of Capacity Building, and Head of IT Services at RK University in Rajkot. Additionally, participants were provided insights into the functioning of the Capacity Building Center (CBC), along with guidance on accessing the center's website to gather information about past events. A key aspect of the orientation was the introduction of the Edpuzzle platform. This platform was presented as a tool to facilitate the creation of interactive video lessons, which could subsequently be integrated into the university's Learning Management System (LMS). Attendees were given hands-on experience in accessing video resources via RKU LMS Server. The event drew the participation of 23 individuals from diverse schools within RK University. The feedback from participants was overwhelmingly positive, with many expressing enthusiasm for future training sessions of a similar nature.

List of Participants:

Sr. No.	Name	Designation	School
1	Bhavik Bosamia	Teaching Assistant	School of Diploma Studies
2	Rahulkumar Ghetia	Assistant Professor	School of Engineering
3	Priyank Sakhiya	Assistant Professor	School of Pharmacy
4	Piyush Sharma	Assistant Professor	School of Management
5	Dasadiya Keval	Assistant Professor	School of Engineering
6	Deepkumar Sanghani	Assistant Professor	School of Engineering
7	Priyanka Jadeja	Teaching Assistant	School of Physiotherapy
8	Mayanka Zalavadiya	Assistant Professor	School of Science
9	Kajal Thumar	Assistant Professor	School of Engineering
10	Kishankumar Kundariya	Assistant Professor	School of Engineering
11	Vishal N. Jogidas	Assistant Professor	School of Engineering
12	Vishalkumar Deshani	Assistant Professor	RK University

13	Kirtika Savaliya	Assistant Professor	School of Science
14	Vijay Parmar	Assistant Professor	School of Agriculture Science
15	Tamanna Vaja	Assistant Professor	School of Science
16	Harsh Nagar	Teaching Assistant	School of Engineering
17	Alankar Trivedi	Assistant Professor	School of Management
18	Dipesh Bhundiya	Assistant Professor	RK University
19	Pooja Pandya	Assistant Professor	School of Management
20	Jignesh Kadvani	Assistant Professor	School of Engineering
21	Siddhant Doshi	Assistant Professor	School of Management
22	Ashish Kuar Singh	Assistant Professor	School of Science
23	Deep Dhebar	Assistant Professor and Incubation Executive	RK University
