

# Need of ICT

## In Association with

# Support & Development Center and Capacity Building Centre

8th March, 2022, 12:00 pm to 2:00 pm

An Expert Session on importance of ICT was organized at Support & Development Center, RK University to overcome challenges faced by use of ICT in higher education. Honorable Thakor Saheb of Rajkot City, Shree Mandhatahinhji Jadeja had addressed the teaching staff who are associated with ICT based subject and counseling activities of the students. Executive Vice President of RK University, Shree Denish Patel had also given a thoughtful insight to deal with the challenges faced by migrant students from different countries and discussed the aspects of making their academic and non-academic experience more joyful. The participants were guided to effectively use of ICT in their academic work in and outside of classroom. The leaders across the university participated in the event to gain understanding to support the students in their academic and non-academic experience in the best possible means. The whole event was co-ordinated by Dr. Kamlesh Patel, Head, IT Services & Prof. Vijay Dubey, Executive-Office of International Affairs, RK University.
