Grooming

The screenshot displays a video player interface. At the top, there is a navigation bar with a hamburger menu icon, the title "Video on Body Language-1", and a progress indicator "2 / 3" with left and right arrow icons and a refresh icon. Below the navigation bar is a sidebar with a "Grooming" section. Under "Grooming", there are three items: "Department or Gro..." with a radio button, "Video on Body La..." with a radio button, and "Video on Body La..." with a radio button. The main video area shows a hand holding a black book. The text on the book cover reads "Some People DO Judge a Book by its Cover". The word "DO" is in red, and "its Cover" is in a smaller font. In the bottom right corner of the video, there is a watermark that says "Activate Windows Go to Settings to activate Windows".
